

Stacey Urbin, Principal – urbin@pcs.k12.mi.us

Aaron Currier, Assistant Principal – acurrier@pcs.k12.mi.us

In 6th grade, there are the same three elective classes as there were for 5th grade: Band, Creative Expression, and Orchestra. However, different objectives are taught in these classes in 6th grade.

Each 5th grader will continue his/her current elective for 6th grade unless action is taken by his/her parent.

There are two different ways a parent can change his/her child’s elective class for 6th grade:

1. Request the change electronically through the link Mrs. Urbin emailed on March 31, 2014.
- OR**
2. Complete and return this form to the office.

These are the only ways a child’s elective class can be changed. Not making a change one of these two ways could result in heartbreak and an incorrect schedule in the fall.

All requests for changes are due by April 28, 2014.
